| STATEMENT | <p>Our mission is to provide a harmonized and cost effective transportation system with emphasis on safety and efficiency for all.</p> <p>Although transportation to and from school is the responsibility of the students and their parents or guardians, the <i>Education Act</i> states that “a board may provide for a pupil who is enrolled in a school that the board operates, transportation to and from the school that the pupil attends.” As such school transportation services are a privilege, not a right, and can be withdrawn if the service and expectations are not respected.</p> |
| PROCEDURE | <p>All routes and designated stops will be established by the Algoma & Huron-Superior Transportation Services (AHSTS) consortium on the basis of safety, time, efficiency, loading and economy.</p> <p>Policies and procedures have been established to ensure that school transportation services are reliable, equitable and safe.</p> |
